

**Whatever type of camera you use
and if you love taking photos...**

Come and join us

Our Society is long established and welcomes members whatever their experience. We cover all types of photography including digital, prints and audio visual.

Our activities include talks from well known photographers and help for those who wish to improve their photographic skills. Members regularly get together for meetings, social events and practical sessions.

**Tuesday evenings at 7.30pm (September - May)
Women's Institute Hall, 745 Warwick Road, Solihull B91 3DG**
