1. NAME

1.1 The name of the society shall be 'The Solihull Photographic Society', hereinafter referred to as 'The Society'.

2. OBJECTIVES OF THE SOCIETY

2.1 The objectives of the Society shall be the cultivation and promotion of photography in order to advance the photographic skills of all members, and to provide a wider appreciation of photography within the local community. This shall be achieved by means of presentations, lectures, tuition, discussion, competition, exhibitions, and any other means deemed suitable by the Committee.

2.2 'Photography' shall cover the production, viewing and exhibition of images in forms such as prints, digital files, video, and film; and shall include the combination and interaction of photographic images with other media such as music, voice, painting, or drawing.

3. MANAGEMENT

3.1 The Society shall be managed by a Committee of up to 10 people whose members are elected at each Annual General Meeting (AGM) of the Society. In addition, a Treasurer will be specifically elected to manage the finances of the Society. At its first meeting of each season the Committee will appoint a Chairman and other officers to undertake specified roles. The names of those so appointed will be notified to all members. The number required to form a quorum for the Committee is at least 4 to include Chairman, Treasurer and Secretary. Minutes of committee meetings will be made available on request by members to the Secretary. The Committee will also establish a nominated subgroup of members who are willing to host meetings of the Society on a rota basis.

3.2 Society assets including funds shall be controlled by the Committee and Treasurer and shall be used solely for the furtherance of the Society's objectives as set out in Rule 2. The Committee shall draw up appropriate financial controls and operating procedures to manage Society funds and other assets, copies of which will be made available to any member on request. Accumulated funds shall not be disbursed to members, e.g., in the form of dividends or bonuses, except for the payment of reasonable expenses connected with the Society's activities. All members shall have the right to view the accounting records of the Society. Members wishing to do so must contact the Society Treasurer.

Although promoted by the Society, all management and day to day operation of the Exhibition was delegated to a separate Exhibition Committee under a remit agreed by the Society. All Exhibition funds were kept in a separate account but subject to the same financial controls as all other SPS accounts. Now that the Exhibition is no longer running, at the discretion of the Committee, the remaining funds are to be used to fund capital equipment or significant one-off projects, special events and promotions for the benefit of the Society.
